

INFORMATION FOR CONTRIBUTORS

Editorial Policy: Membership in the American Genetic Association is not a prerequisite for publication in the JOURNAL OF HEREDITY. Papers will be judged by the editorial board on the basis of their original data, interpretation or review with a limit of four printed pages without surcharge. An article exceeding this limit will be charged at the rate of \$30.00 for each additional page. Papers must be submitted solely to the JOURNAL OF HEREDITY and must not be reprinted or translated without consent of the Editor. At least six months should be allowed for publication.

Manuscripts: The entire manuscript should be typed double-space, allowing good margins. It is requested that captions and legends for figures be typed on sheets separate from the text. Footnotes are not desirable and should be avoided wherever possible. Purely descriptive matter should be incorporated into the text, and literature citations should be treated as noted below. Titles should be condensed to fifty letters or less, with a short sub-head when necessary. Manuscripts will not be returned to the author.

Illustrations: Tables and illustrations should be planned to fit the type-page (5 x 7 $\frac{1}{2}$ inches). Tables should have a descriptive heading. Halftones and line drawings will be limited to one full page or two half pages without charge; any additional costs of engraving will be charged to the author at cost. Drawings must be submitted in a form suitable for cuts. Original photographs should be submitted unmounted in the form of clear black and white prints on glossy paper. Care should be taken to see that they cannot be bent or folded in handling, and paper clips should not be used. All imperfections in the original copy are reproduced.

References: References to the literature should be cited by the author's name and literature cited reference number, e.g. (Smith and Jones⁵), or by the number alone where applicable. The bibliography should be arranged alphabetically by author under the heading, *Literature Cited*. Complete reference is necessary and the arrangement should be as follows: Smith, L. C. and C. B. Jones. Inherited skin-defect in cattle. *Jour. Hered.* 32: 419-423. 1941.

Proofs and Reprints: Galley proofs will be sent to the author, and the corrected proof and reprint order should be returned to the Editor. Page proof will be sent when time permits. Authors will be furnished reprints at cost.

All manuscripts and correspondence should be addressed to the Managing Editor, JOURNAL OF HEREDITY, 1507 M Street, N. W., Washington 5, D. C.

The American Genetic Association

An incorporated organization devoted to promoting a knowledge of the laws of heredity and their application to the improvement of plants, animals, and human racial stocks.

Its membership is composed of men of science, teachers, publicists, physicians, clergymen, parents, students, horticulturists, and breeders of livestock throughout the world.

The Association owns the *JOURNAL OF HEREDITY*, which is published bi-monthly and sent to each member without additional cost. Every member is thus a part owner of the *JOURNAL*.

Membership imposes no burdensome obligations. The Association, which is co-operative in nature, welcomes assistance in research, but does not demand it. Members are invited to submit discussions of the results of their research, accompanied by new and unusual photographs. All papers received will be given full consideration by the editorial board.

Manuscripts should be sent to the Editorial Office of the *JOURNAL*, 1507 M Street, N. W., Washington 5, D. C.

Proof: In order to facilitate prompt publication only galley proof will be sent to authors.

Reprints: On request the author can purchase reprints at cost.

REQUIREMENTS FOR MEMBERSHIP

Subject to the approval of the Council, any person interested in the improvement of the human race or the creation of better varieties of plants and animals, is eligible for membership.

The Association welcomes all who are interested in its program, and the Secretary will be glad to answer any inquiries.

Annual dues, giving the right to attend all meetings and receive the *JOURNAL OF HEREDITY*, are \$8.00 within the United States and its possessions, \$8.25 in Canada, and \$9.00 in all other foreign countries; life membership, \$100. Subscription to the *JOURNAL* is \$10.00 per year (foreign postage extra).

If you are not already a member, and want to become one, or if you know of anyone who would be interested in membership, write to

THE AMERICAN GENETIC ASSOCIATION
